ENVIRONMENTAL POLICY STATEMENT

Wrexham Building & Joinery Ltd aims to protect the environment and make a contribution towards sustainable development. This will be achieved by:

- Meeting all relevant UK, European and International legislative and regulatory requirements.
- Reviewing our activities and operations to identify environmental impacts and prioritising actions to address them.
- Conducting our own activities to reflect best environmental practice.
- Implementing sound management systems to monitor and review our performance and pursue continual improvement.
- Minimising the use of hazardous materials and waste generated.
- Preventing/minimising pollution from our activities.
- Where possible, influencing our suppliers and sub-contractors to ensure that goods and services procured support our environmental policy.
- Raising awareness of environmental issues with our employees.
