WREXHAM BUILDING AND JOINERY LTD QUALITY POLICY

Wrexham Building & Joinery Ltd recognises that the disciplines of quality, health and safety and environmental management are integral parts of its management function. The Organisation views these as a primary responsibility and to be the key to good business in adopting appropriate Quality standards.

The Organisation Quality Policy calls for continuous improvement in its Quality management activities and business will be conducted according to the following principles:

We will:-

- Comply with all applicable statutory laws and statutory regulations.
- Follow a concept of continuous improvement and make best use of its management resources in all Quality matters.
- Communicate its Quality objectives and its performance against these objectives throughout the Organisation and to interested parties.
- Take due care to ensure that activities are safe for employees, associates and subcontractors and others who come into contact with our work.
- Work closely with our customers and suppliers to establish the highest Quality standards and provide quality workmanship at all times to guarantee customer satisfaction and care.
- Provide an after sales service for completed projects as a matter of priority should any queries arise.
- Adopt a forward-looking view on future business decisions which may have Quality impact.
- Train our staff in the needs and responsibilities of Quality management.
